1 Disclaimer

SCRL is not liable for the accuracy, completeness, or legal implications of any information obtained through KYC reports, nor for any errors arising during the verification process.

For identity verification, SCRL conducts a manual review of the submitted documents, including personal photos and videos. Please note that SCRL does not verify document authenticity with the issuing authority. Instead, the identity check is based solely on the provided visual materials.

Upon completion of the initial verification, SCRL performs an additional screening against Sanction Databases and Regulator/Law Enforcement Databases to confirm that the individual undergoing KYC is not listed as a wanted person by authorities such as Interpol, EUROPOL, or the FBI, and has no known involvement in financial crimes, fraud, or other criminal activities.

No personal information will be disclosed to the public unless the individual is identified as a wanted person or is confirmed to be involved in criminal or financial misconduct.

Please be advised that the KYC Report is not an investment advisory document and should not be interpreted as such. We hereby disclaim any liability arising from any investment:

- **STILL REMEMBER, KYC REPORT IS NOT A GUARANTEE OF ANY PROFIT / INVESTMENT AND DOES NOT GUARANTEE THAT THE PROJECT IS SAFE TO INVEST. SCRL DISCLAIMS ANY RESPONSIBILITY**
- Security Assessment Is **Not Financial/Investment Advice** Any loss arising from any investment in any project is the responsibility of the investor.
- SCRL **disclaims** any liability incurred, whether it's **Rugpull, Abandonment, Soft Rugpull, Exploit, Exit Scam.**
- **Cryptocurrency and digital token involve high risks; investors may lose all investment money and should study information carefully and make investments according to own risk profile.**
- Please thoroughly comprehend any aspect of a project, including liquidity checks and pre-sale stages, and assume the associated risks independently. We hereby disclaim any liability for any investment decisions made by you.
- SCRL has the right to be able to publish the details of personal data that perform KYC operations, which can be made public or distributed to department under Law Enforcement. You can contact SCRL to request information at enforcement@scrl.io using title: [Law Enforcement] [Your Department] [Project Name].
